

ASSOCIATION FOR COMPUTATIONAL LINGUISTICS (ACL)

INVITATION TO SPONSOR VIRTUAL CONFERENCES

IN 2020

The Association for Computational Linguistics (ACL) provides the preeminent forum for dissemination of the latest developments in computational linguistics and natural language processing. The ACL, its regional chapter in Asia (AAACL), and the Special Interest Group on Linguistic data and corpus-based approaches to NLP (EMNLP) will host the following ACL-related conferences in 2020:

- AAACL-IJCNLP 2020 in Suzhou, China (4 – 7 December), inaugural meeting
- ACL 2020 in Seattle, Washington, USA (5 – 10 July)
- EMNLP 2020 in Punta Cana, Dominican Republic (8 - 12 November)

In the recent years, ACL conferences have enjoyed a growth spurt and now attract 1,800 to over 3,500 paying attendees, AAACL-IJCNLP 2020 conference is estimated to be between 600 and 800, and EMNLP conferences between 1,700 and 2,500.

This document summarizes sponsorship opportunities at the three upcoming conferences. The ACL also offers a “2-Pack” or a “3-Pack” which, for a single payment, gives access to sponsorship opportunities at two or three 2020 conferences of choice. The 2-Pack and 3-Pack will provide a significant discount, and an easy opportunity for global presence in the leading conferences on natural language processing.

Beginning last year, the ACL is also offering new opportunities to support our Diversity & Inclusion (D&I) initiatives. By adding a D&I Champion, D&I Ally or D&I Contributor sponsorship, you can broaden the pool of NLP/CL talent available to industry and academia, by making our conferences accessible to a range of participants who would otherwise have difficulty participating.

Further information on sponsorship opportunities can be obtained by contacting sponsoring@aclweb.org or any of the Sponsor Chairs listed on page 9 of this booklet.
